22. Creare una password per proteggere l'applicazione pShare e prevenirne l'uso non autorizzato.

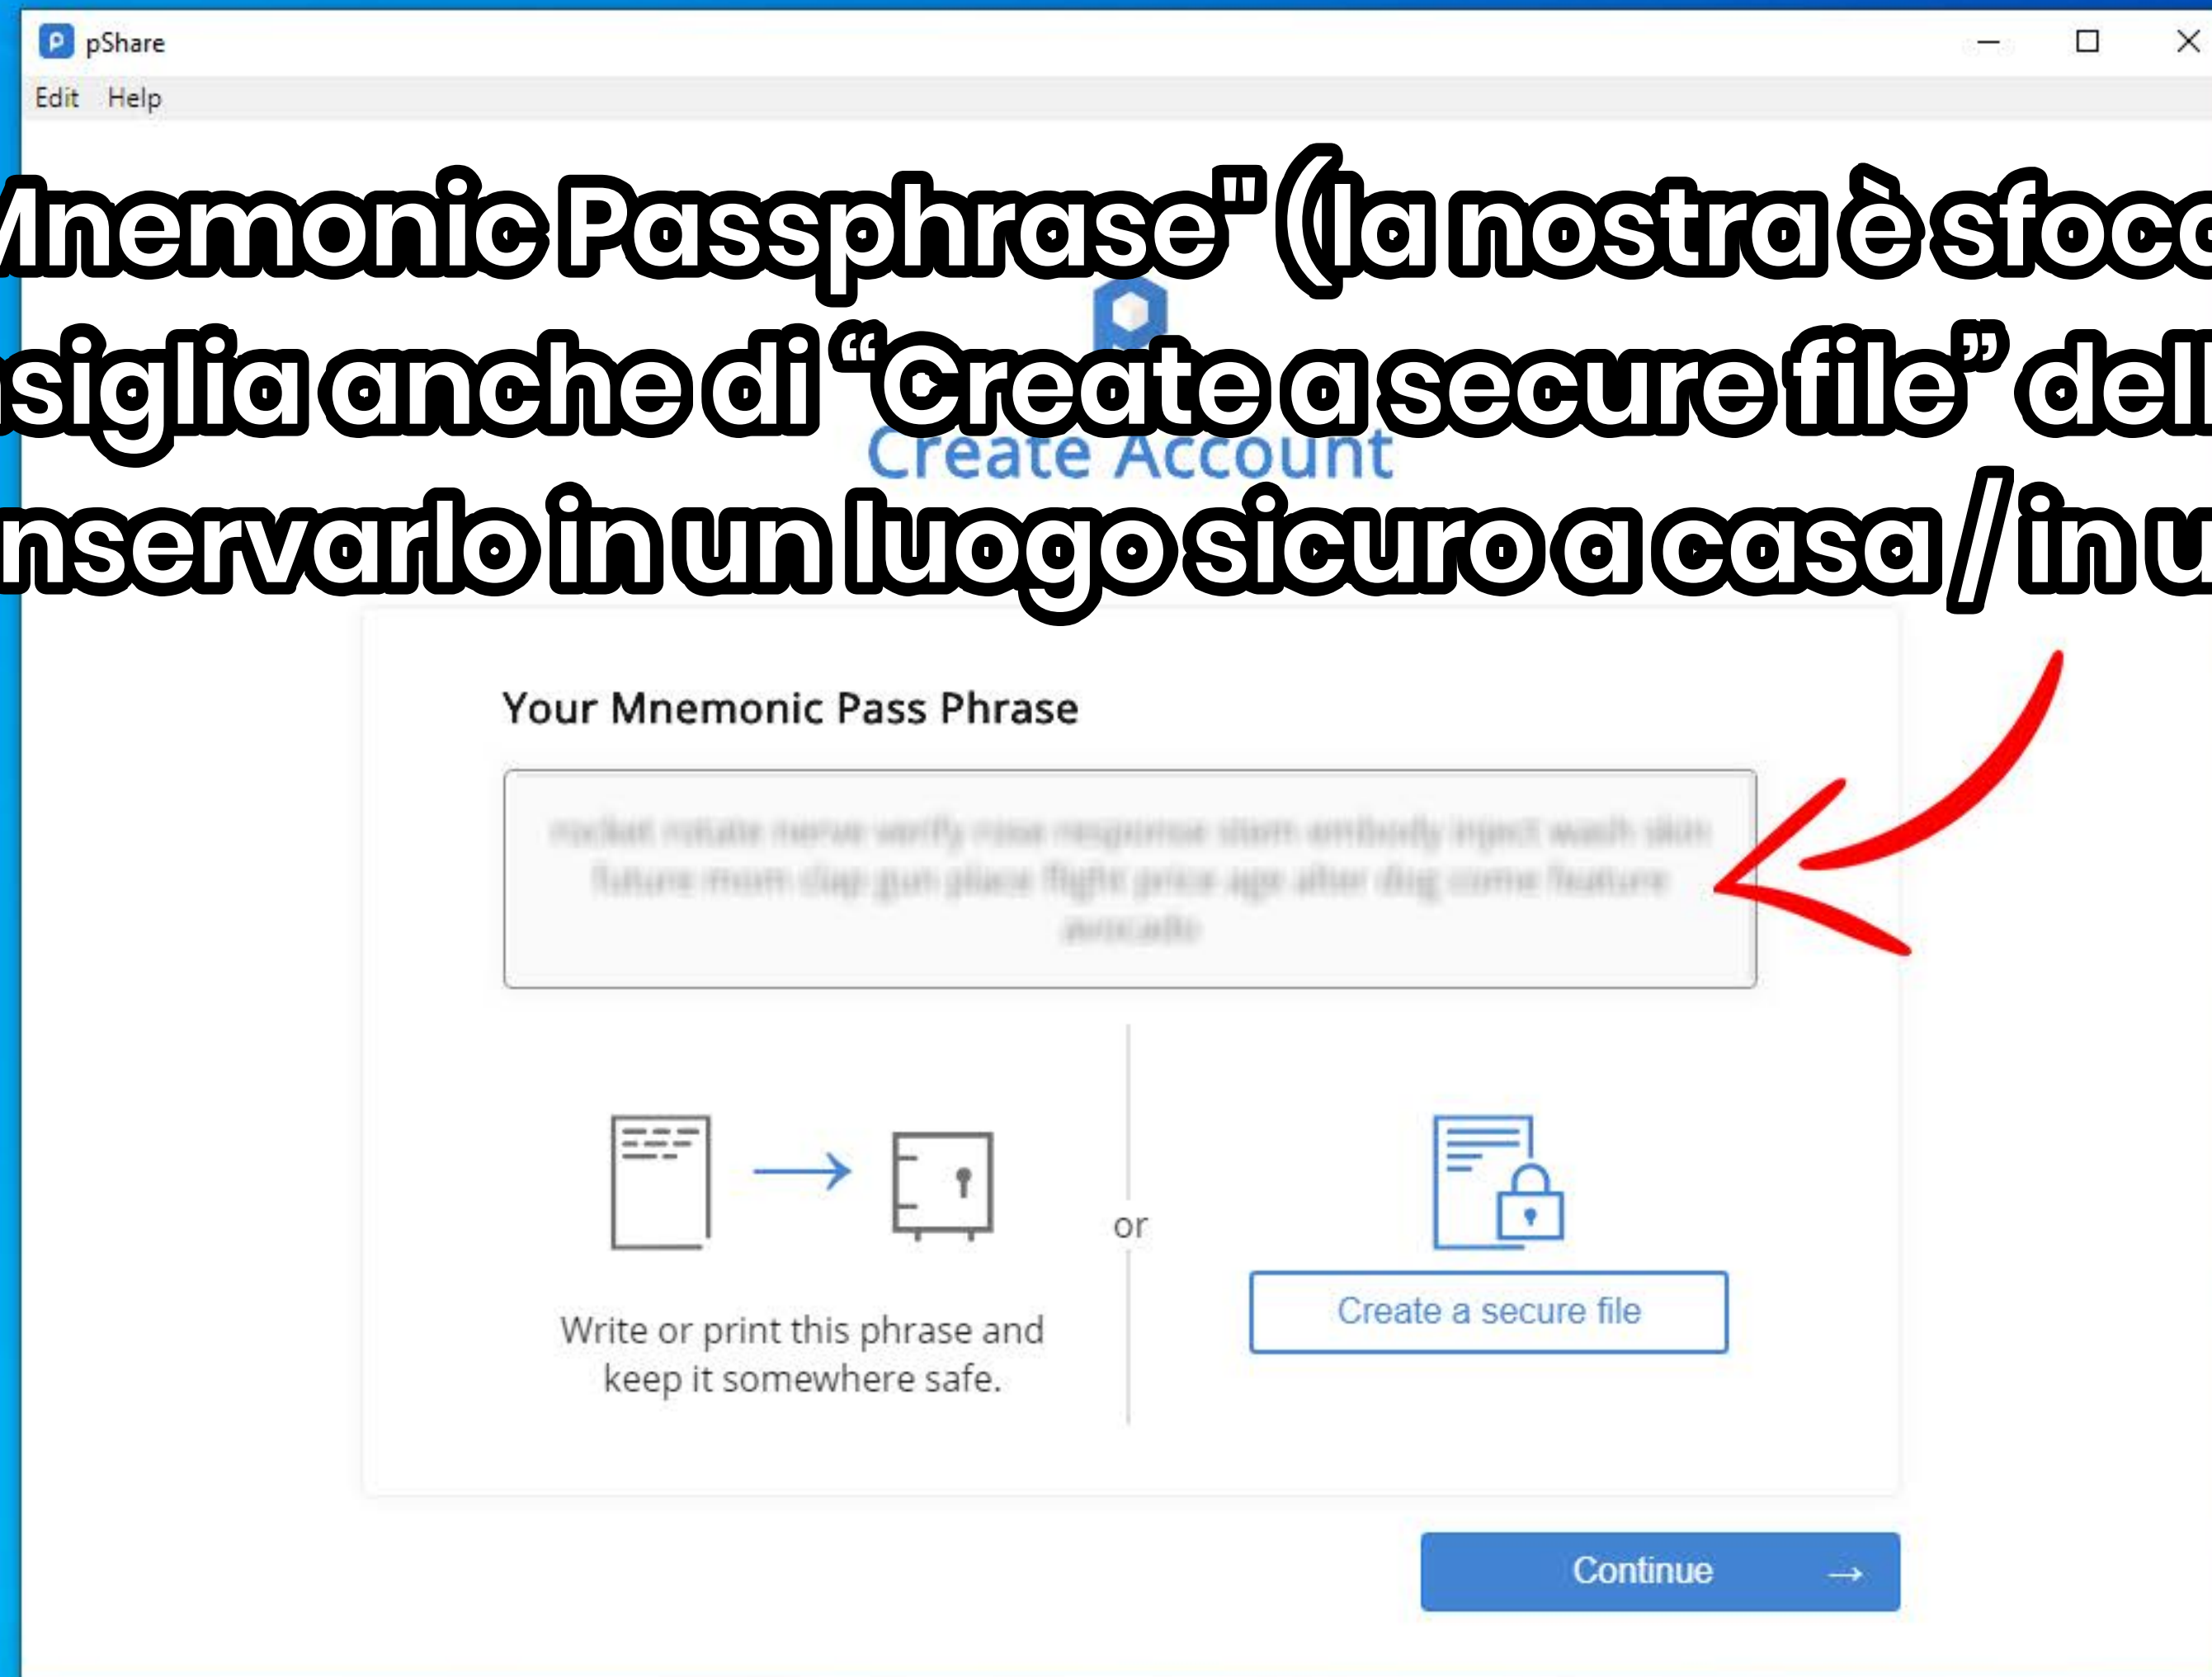

23. pShare inizierà a criptare i dati.

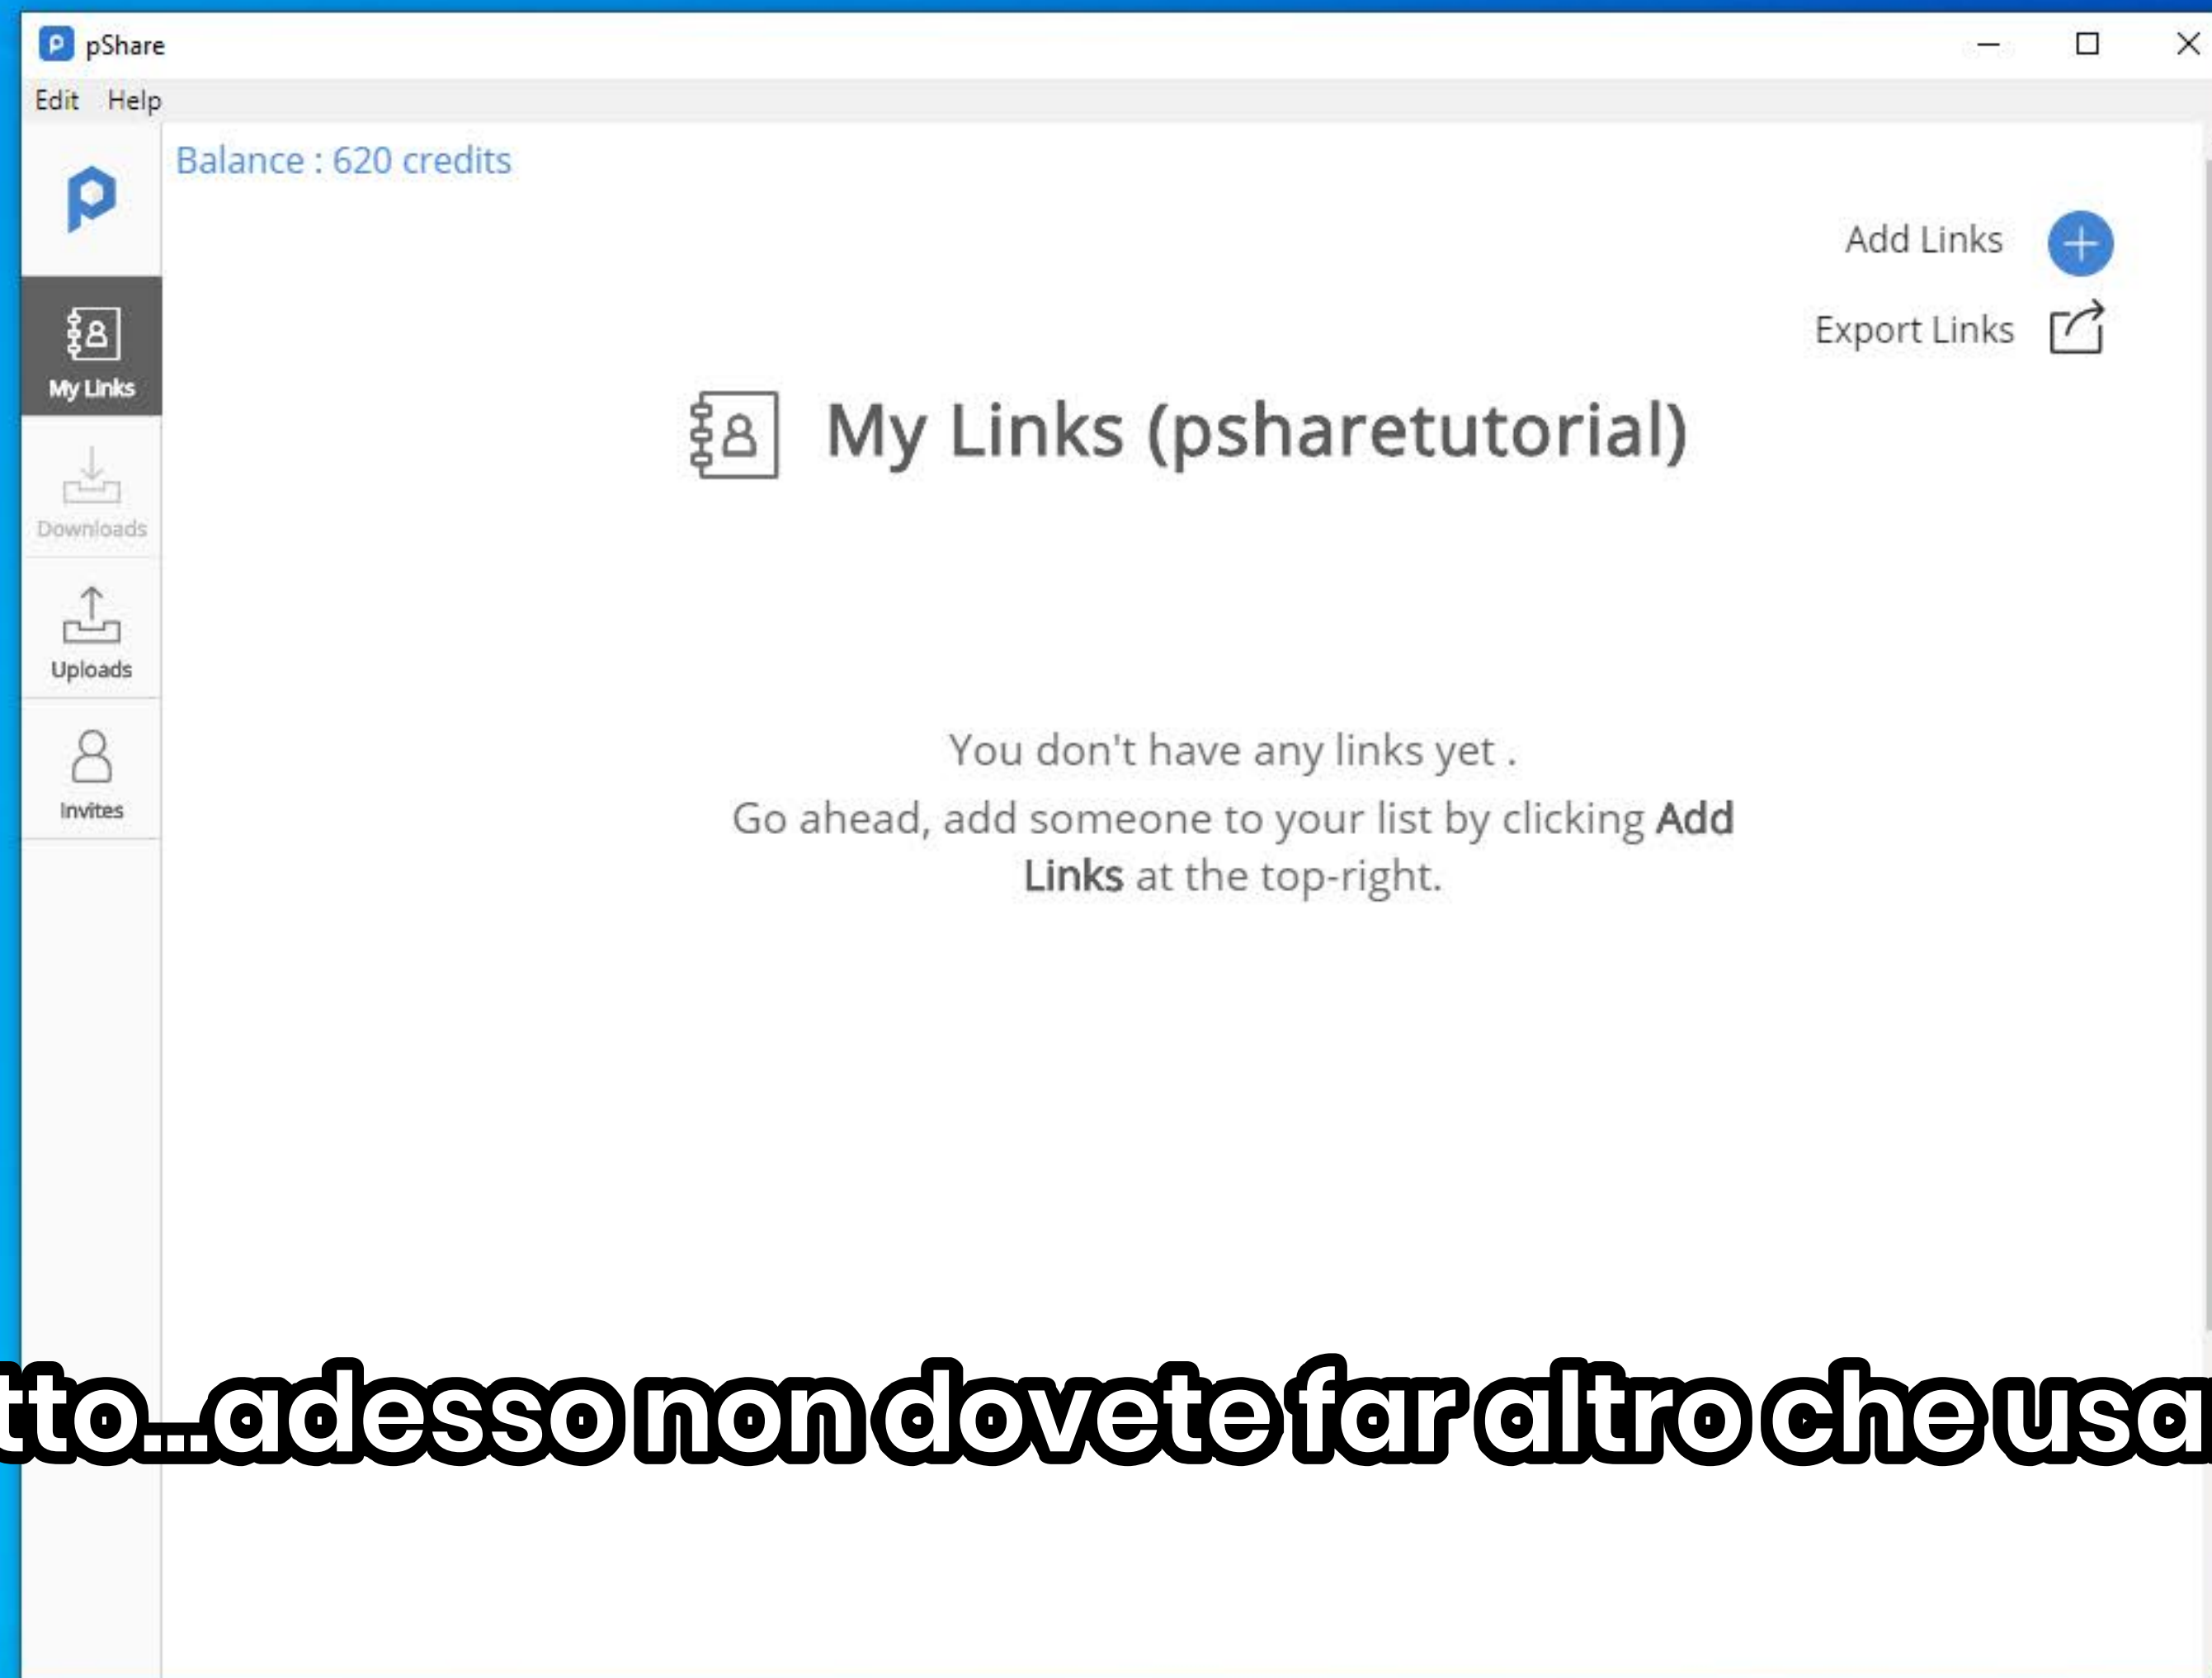

24. Leggi questo avviso, è importante e riguarda il recupero dell'account. Fai clic su "Continue".

25. Scrivi "Your Mnemonic Passphrase" (la nostra è sfocata per tenerla al sicuro). Si consiglia anche di "Create a secure file" della passphrase di ripristino e di conservarlo in un luogo sicuro a casa / in ufficio. Fai clic su "Continue".
